

3 YEAR OLD KINDER

AT AQUAPULSE & EAGLE STADIUM

The friendly WynActive childcare teams in the AquaPulse & Eagle Stadium are excited to offer 3-year-old kinder programs at both facilities again in 2019. Designed especially for kids in this age group to start preparing for school readiness, this dedicated 3YO kindergarten program helps children to learn important life skills such as independence and self-help skills in a safe and nurturing environment.

Spending a few hours away from their parents each week not only helps kids build confidence, it also cultivates essential socialisation skills. Kids in this special program get to take part in fun group activities while at the same time learning how to work in a group and with other personalities.

Activities such as cutting with scissors or playing with play-doh develops fine motor skills and strength as well as teaching kids how to be patient, share and concentrate and follow instructions. To ensure the environment is not overwhelming, the program runs as a shorter day from 12:30 to 3:30pm for one day per week during school terms.
